5th January 2021

Dear parents/carers

Well, what a turbulent few days! Following the Prime Minister's announcement last night and the subsequent closure of school to all pupils apart from children of critical (key) workers and vulnerable children, I would like to thank you for working together with us over a very short timescale and moving what feels like mountains in a short space of time. The children in school have been amazing and settled well into their new ways of working.

Just a reminder that for parents/carers of critical workers, please ensure that you keep us up-to-date with any changes in work patterns so that we can ensure that we have the correct provision available. If for example you have a changing shift pattern, please inform school of the days you require in advance and no later than **2.00pm on the Thursday of the preceding week**. Your support with this is much appreciated.

Drop-off and pick up arrangements for **critical workers and vulnerable children** will be the same as our usual arrangements prior to Christmas. The drop-off window of 8.45-8.55am in the morning for all pupils, and the collection window of between 3.00 – 3.10pm for foundation and KS1 and 3.05- 3.15pm for KS2 pupils.

Remote learning is going to be on OneNote. By now you should have received a phone call regarding welfare and online learning support. If you are still experiencing problems accessing your child's work, please contact your child's teacher via the office email office@northfield.notts.sch.uk or telephone on 01623 625589.

I will continue to keep you informed as and when we have new information. In the meantime, please take care and look after one another.

Kind regards

J. Jenkins

Head Teacher
